Ensnconced by lush, native landscaping, this newly-remodeled Balinese inspired pool property is located on one of the best streets in Kailua! Just a short distance to Kailua Beach, shops, restaurants, and markets, the open floor plans provide flexibility in use! Newly remodeled front portion is 2 bedrooms, 2 baths plus family room. The rear portion of the house is large 2 story w/ bedroom and bath on second floor, large living room, kitchenette, bath, w/ separate or interior entrances on the ground level. 400+ s.f.covered area behind carport has a multitude of uses. GREAT INVESTMENT!

Enter the front garden area through the cedar gate and mock orange hedge, and you are immediately transported into a zen Balinese inspired compound filled with an abundance of tropical plants & native
